From the Top

Today's view from the top comes from the Bury F.C. Assistant Manager Mr. Jack Chapman.

Supporters of Bury Football Club may have noticed that in our South Stand we have erected a special reserved area for our Associate Schoolboys and School of Excellence players who obviously we hope will become the future of the club.

The idea behind the reserved area is that we hope all the boys connected with the club will attend all our games and they will have their own area to sit together.

We are still trying very hard to convince people that we mean business with our Youth Policy and slowly we are making new friends and contacts in our area.

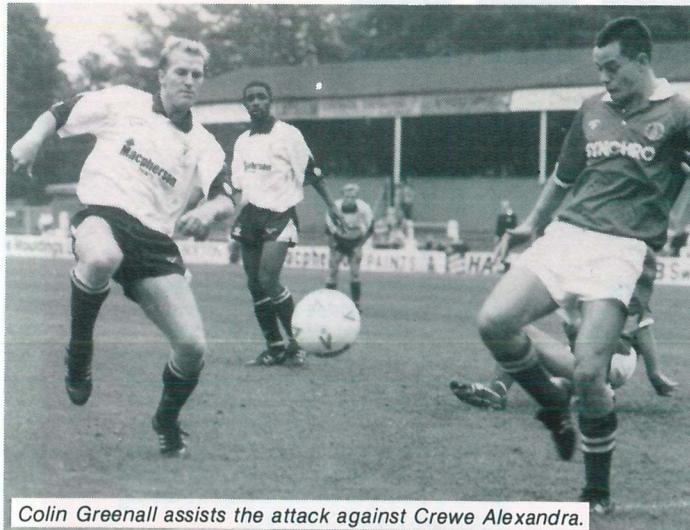

I would like to pay tribute to everyone connected with the development of the Synthetic Football Pitch at Goshen Park which is obviously helping us to run our School of Excellence on a more professional basis on facilities which are second to none.

Our Youth Team have had two good wins against Stockport (3-0) and Shrewsbury (2-0) in the first two rounds of the Youth Cup and three of our schoolboys, Lee Wilkinson (Rochdale), Steve Knox (Barrow) and Steve Turner (Bolton) performed very well in these games.

We welcome all the Directors, Staff and Supporters of Bolton Wanderers to today's game.

The match of the day last Saturday was at Elm Park, where honours ended even between Reading and Birmingham City. With both sides near the top of the table it was made an all-ticket affair and a season's best 5,695 turned up to watch a ding-dong affair. But defender Mathewson opened the scoring with his second of the season but then the Royals took control with two goals inside a four minute spell — McPherson and Senior (his seventh of the season) scoring to give Reading the lead.

Trevor Senior

Simon Sturridge preserved Birmingham's unbeaten start to the season though with an equaliser which earned a useful point. City, then, remain as the only unbeaten side in the Division whilst Reading can still boast an impressive home record.

Surprise package Southend United continue to set a frightening pace at the top of the table. They enjoyed two good home victories last week, hammering Swansea 4-1 and then sneaking home 2-1 courtesy of a late Brett Angell goal against Bournemouth. Angell and his teammate Martin have now scored five goals each and the Shrimpers have maintained a 100% home record, winning all five matches at Roots Hall. The situation today is interesting as United are away at Birmingham — a tough fixture — and have Grimsby (two points behind) snapping at their heels. Bury are due at Southend in two weeks also. Grimsby themselves also took six points from two games last week, beating struggling Rotherham United 2-1 and then winning by a single goal against Swansea City. Neil Woods, on loan from Bradford, scored his sixth of the season against Rotherham and his form had prompted Town to make the move permanent. The £80,000 being asked by Bradford was the only problem — but he seems to be worth the money in this kind of form. For the record Mark Lever scored the other goal against the Millers with Dave Gilbert earning the points against Swansea. Grimsby are the other side still unbeaten at home.

After confirming Phil Holder as their new boss Brentford have been on a good run, unbeaten in their last six games. A sixth minute goal from Kevin Godfrey earned all the points against Bradford City at Valley Parade for their latest success — and Godfrey is now joint leading scorer for the Bees (three goals) along with Keith Jones. Incidentally, defender Keith Millen completed a personal milestone recently when he played his 250th game for Brentford in their away game at Preston.

Brentford suffered their second home defeat in three games against the Bees and this has unsettled the Valley Parade fans. The team has only won once in seven games — and this was a few days earlier against Chester. It was certainly an eventful match too, with Chester being reduced to nine men after only half an hour — David Pugh and keeper Billy Stewart being sent off. Barry Butler took over in goal and kept the home side out for 30 minutes before Duxbury broke the deadlock — then he got sent off too! Mark Leonard doubling the score until a late Graham Abel penalty set the game up for a grandstand finish but the Bantams gained an overdue win.

Chester recovered last Saturday to record a brilliant 2-1 away win at local rivals Tranmere Rovers. David Pugh turned hero scoring the opener before half-time. Mark Hughes equalised with a 30 yarder and as the game was heading for a draw, Graham Abel — for the second game in succession — scored an 89th minute penalty to stun the 6,642 crowd to give Harry McNally's nomads an unexpected victory. Tranmere have now won just one of their five matches played to date at Prenton Park — not the home form they were capable of last season. Ian Muir hasn't lost his touch though with seven goals so far.

Stoke City kept up their unbeaten tag away from home, with a 1-0 at Bolton last weekend, Gareth Evans scoring the winner just past the hour. Earlier in the week 7,200 had crammed into Gresty Road to see Stoke beat local rivals Crewe 2-1, Paul Ware and Wayne Biggins scoring after Foreman had squared for Crewe. Jason Smart was sent off in the heated derby atmosphere too.

Stoke look likely to stay the course at the top this season — and are due at Gigg next month. Crewe recovered last Saturday to record their first home win of the season, 18 year-old midfielder Colin Rose scoring four minutes from time to beat Wigan.

Fulham recorded their first win of the season with a 2-0 win at home to Rotherham United. Leroy Rosenior and Gordon Davies' goals lifting the Craven Cottage fans. Rosenior is currently on loan from West Ham but the big crowd favourite looks unlikely to secure a permanent move 'back home'. It was a good week for Mansfield Town, drawing 1-1 at Burnden Park against Bolton and then following up with a 3-0 capitulation of Shrewsbury Town at Gay Meadow. Christie, Kent and Fairclough being on target against a side which still hasn't won at home. It was strange to see Gary Shaw — who enjoyed a very good debut for Shrews against Bury in midweek — has been relegated to the substitutes' bench.

Huddersfield Town are showing great signs of improvement in recent weeks, having won their last three games including single goal victories last week against Exeter (Iffy Onoura) and Orient (Peter Jackson). Town had won just once in their opening six games — but look set for better days now — beginning today perhaps with the Yorkshire derby against Rotherham at Millmoor.

Preston too have made an improvement in recent weeks, and are unbeaten in their last five games. They beat Exeter by a single Ian Bogie goal at Deepdale on Saturday (his third goal of the season) and could be on the verge of putting their poor start to the season behind them. Signs are that the new faces are now starting to settle in — and the defence which leaked 13 goals in the first four League games had conceded just five in the last three games.

POST BOX

Dear Sir,

I have left Gigg Lane after games with our own supporters saying "We're not good enough, we'll never get promoted" and I heard it said again last Saturday against Crewe.

I know it is very frustrating and disappointing when we lose but I am sick of a small minority of supporters saying that's it, we're not going up. Why don't they try giving the lads the benefit of the doubt and turn up for at least four or five consecutive home games and then deciding whether they come again or not.

It is a fact in my eyes that some so-called Bury supporters are very quick to criticise and very slow to praise. I believe in the saying "Something good always comes out of a bad situation." I hope I am proven wrong when I say this but "I am almost certain that the attendance against our local rivals Bolton Wanderers in our next home game will have dropped by at least 1,000 compared to our last game against Crewe, just because we lost, unjustly in my view. What I think some supporters should say to themselves sometimes on leaving Gigg Lane after defeats is: "OK. I'm very disappointed by this defeat but that must be nothing compared to the disappointment of the players because their first team places depend on winning."

No player worth his salt goes out with the attitude of saying, "Well, I'm assured of a place next week whatever happens", because that has proven never to be the case at Bury under the leadership of Sam Ellis.

I think everybody who comes down to Gigg Lane every so often should think about attending every game and giving the Coaching/Playing staff their full vocal support not just when things are going well as the attendance showed in the Play Off game last term (7,000+) but as well as when things aren't going as planned as happened against Crewe (a woeful attendance of 3,200). *Don't barrack the lads, back 'em throughout!*

Paul McGowen, Little Lever, Bolton

Dear Peter,

If I run a Jumble Sale at Church and refuse to speculate £8.00 in an advert in the local Advertiser, very few people come and our takings are as much as £50 down.

If I run a relatively successful football club, invest a great deal of money in it and then keep quiet about it, I must not be surprised if nobody comes along to see it. Someone will correct me if I'm wrong, but I'm sure there are no adverts whatever in Bury and district to let the populace know that Bury F.C. even exists. If the club can spend goodness knows how much on players, they can surely spend the equivalent of my £8.00 on the hire of advertising panels in the Shopping Precinct and in our other townships and at Victoria Station. Or is it asking too much?

Yours sincerely,
Neil Hartley, 29 Alma Hill Road, Manchester

GARY KELLY

When Gary Kelly was born on 3rd August 1966, his father Alan was in the midst of a fine footballing career as goalkeeper for Preston North End and Eire. In a 14-year spell at Deepdale, he made 447 appearances - a record for Preston - and also accumulated 47 Eire Caps - a record for his country. This was to be the pedigree which Gary and his brother Alan, two years his younger, had to follow.

Gary's first love, perhaps not surprisingly, was Preston and it was something of a surprise when he didn't end up as a North End player. With a soccer apprenticeship beckoning, Gary takes up the story. "I wanted to sign for Preston because I loved the club. My dad was Assistant Manager at the time and, from the age of 11, I had really enjoyed going to Deepdale most holidays with him, mixing with the professionals and joining in the five-a-side games. I joined Newcastle though, because they made me a better offer and, as it turned out, it was a decision that I have never regretted."

At Newcastle he began his career in the same Youth team as Paul Gascoigne, who captained the side which lifted the Youth Cup, beating Watford over two legs. It was "Gazza" who also scored the winner too, in a 1-0 First Division home win against Wimbledon on 20th September, 1986, when Gary Kelly made his League debut. "Manager Willie McFaul didn't tell me I was playing until an

hour before the kick-off, so I just had to get on with it. Fortunately, I couldn't have asked any more and managed to keep a clean sheet," he recalls.

Gary went on to make 37 First Division appearances in 1978-79 season but lost his place the following season with the arrival of million pound signing Dave Beasant. That signalled a timely loan spell at Blackpool with Sam Ellis in October, 1988 but, unfortunately for both Gary and Sam, a permanent deal fell through. Twelve months later and this time at Gigg Lane, player and manager linked up again, initially with a loan spell in October and, after an impressive two-month trial period, a £70,000 deal made the transfer permanent on 1st December, 1989. Looking at the season so far, Gary comments: "We've not had a bad start but, except for the Crewe game, we could have won every other game. Hopefully, we'll go from strength to strength and by Christmas be near the top - and stay there, avoiding the play-offs."

The International scene is still on the horizon for Gary too. He has earned a number of Eire Youth, Under 21, Under 23 and B Team Caps and was named in Jack Charlton's full squad back in September for the friendly against Morocco, without making the final team. Let's hope Gary can follow his father's footsteps into the full team in the near future. Jack Charlton should know Gary well enough - he was one of five managers that he served under at St. James' Park.

BURY AND THE F.A. CUP PART TWO

Having been elected to the Football League in the summer of 1894, we knew that we would progress farther in the F.A. Cup than we had done previously, as we were now exempt from the Qualifying Stages. Drawn at home, we easily overcame fellow Second Division promotion hopefuls Leicester Fosse 4-1 in the First Round, to be given a trip in the Second Round to Bolton. A crowd of 14,445, the largest we had played before, saw an exciting game which we lost to a single first-half goal. This gave us, as the saying goes, the chance to concentrate on the League. Impressive results to the end of the season see us win the Championship and victory over Liverpool in the Test Match, elevates us to the First Division.

In 1895-86, we begin to suffer the plight which seems to have lasted our entire F.A. Cup history – continual away draws. This season we are drawn away three times, winning at Small Heath (4-1) and Newcastle (3-1) before we again fall to Bolton 2-0 at the Quarter Final stage. The following season we are again drawn away in two consecutive ties but also manage to register our record win. Having gained a 0-0 draw at Northern League Stockton in Round One, we hammer our opposition 12-1 in the replay, with Millar (4) and Wyllie (3) getting amongst the goals. With the score at 11-0, Stockton even have a penalty saved. Ironically, the referee for the game was Mr. Bye!

Disappointment followed in the next round, when we were well beaten by Everton 3-0 at Goodison Park. They would, three months later, lose the Final 3-2 to Aston Villa to give Villa the 'double'.

In 1897-88 we lost to Stoke at the first hurdle 2-1 but it does give Jack Plant his ninth goal in 20 matches. The following season we are beaten by lowly West Brom in Birmingham in Round Two, before we finally lift the Cup in 1899-1900, having been a Football Club for a mere 15 years, but we do it the hard way, with away draws in every round.

The first takes us to Turf Moor, where Burnley are beaten by a Charlie Sagar strike. It takes Gigg Lane replays to account for Notts County and Sheffield United, both 2-0. The latter's defeat was their first in 26 games and was watched by a record crowd of 20,139. The Semi Finals were to provide real drama, particularly the replay at Sheffield United. This replay was gained with a penalty, coolly slotted home by the Bury captain, Jack Pray, and so to the replay with Nottingham Forest. The Bury team was held up on the train to Sheffield, with many of our supporters and had to be rushed by horse-drawn cart to the ground. They arrived to find Nottingham Forest already on the pitch, waiting to start the game. A quick change and the game began without us being allowed to warm up and so we are caught cold, finding ourselves 2-0 down after only three minutes. The situation looked gloomy as Forest squandered a couple of chances. Then we took the game to Nottingham, knowing we had nothing to lose and pulled back the two goals with some of the best football we had played all season – to force extra-time. Although Nottingham Forest argued against it being played, because they were tired and we still looked fresh, the referee insisted and Charlie Sagar scored the decisive goal to put us through to the Final against Southampton.

The day of the Final saw many hundreds of supporters take advantage of cheap rail travel to make the trip to Crystal Palace, to cheer on the team. It was a heat-wave in London and the Final was over as a competition as early as the 16th minute, by which time we had taken an unassassable 3-0 lead with two goals from McLuckie and one from Wood. The heat took its toll on Southampton, as they were forced to chase the game and the only surprise was that we scored only one further goal through Jack Plant, to give us the biggest winning margin for 10 years. Back in Bury, huge crowds were gathering outside G. R. Baker's shop in Broad Street, where the score was being wired every 15 minutes. By the time the team arrived back from London, the town was jammed solid with supporters, keen to cheer the F.A. Cup Winners and catch a glimpse of the Cup.

Having won the Cup once, we wanted to do it again but, in the next two years we were beaten by the eventual winners, Spurs, 2-1 in Round Two and then Southampton gained their revenge in the Quarter Finals in 1902. Such was the interest in our match with Southampton, that our attendance record was shattered by a crowd of 27,393. An enthralling game was settled in Southampton's favour in the last minute, 3-2.

Fired by this narrow failure, our Cup fighting spirit shone through in 1902-03, when we created a Final winning record of 6-0 and also won the Cup without conceding a goal, a feat that not even the great Liverpool have managed to equal since. We began with three 1-0 victories over Wolves (H), our old adversaries Sheffield United (A) and Notts County (H), before destroying First Division runners-up Aston Villa 3-0 at Everton. The first goal at Goodison was our 100th in the competition in 12 seasons and helped set up a Final against favourites Derby County. Again, as we did in 1900, we spent the week at a hotel near Blackpool as preparation. When the Final arrived, we were ready to challenge – even though we were the underdogs. The crowd had not anticipated anything like the five second-half goals we would score to create the record. All of our famous forward-line were on the scoresheet, Leeming 2, Ross, Sagar, Wood and Plant. This was one of our finest moments, played out by one of our finest teams.

Bury's 1903 squad parades the Manchester Cup, F.A. Cup and Lancashire Cup.

Midland Senior League - Tuesday, 25th September, 1990 — WREXHAM RESERVES 0 v. BURY RESERVES 1

The Shakers won their fourth consecutive fixture with this hard-fought affair at the Racecourse Ground. There were not too many chances on offer but it was a very good competitive game and with Wrexham passing the ball around well, Bury defended capably with keeper Aidan Davison handling cleanly.

A first-half effort from Ian Bennett settled the game. A cross eluded two defenders and Bennett turned on the penalty spot to send a shot into the top corner of the net. Wrexham player-manager Brian Flynn was amongst the line-up for the home team but was unable to inspire a revival against his former club.

Team: Davison, Hill, Withe, Feeley, Valentine, Atkin, Gayle, Bennett, Hulme, Price, Bradley. Subs: Anderson, Emmett.

Midland Senior League - Wednesday, 3rd October, 1990 — BURY RESERVES 2 v. CARLISLE UNITED RESERVES 1

Five straight wins with this last-gasp win against hard-working and well-organised Carlisle. An early chance fell to Darren Emmett but his shot was turned over the bar by keeper Taylor. After 16 minutes, good work by Price down the left flank ended with a ball out to Gayle. His early cross was pinpointed onto the head of Kevin Hulme, who rose to score between two defenders. The visitors drew level in bizarre fashion. Dunn was penalised for a push on Norris on the edge of the area and a free-kick was awarded. The referee twice ruled the free-kick to be retaken, due to encroachment... and United took advantage of the official's gift by making it third time lucky with a shot by Armstrong into the top corner.

Bury gained the reward for keeping going right until the end though, with a winning goal after 87 minutes. A right-wing cross from substitute Danny Kent was left by Gareth Price for Chris Withe — a driving force throughout the game — to curl a left-foot shot into the far corner of the net.

Team: Davison, Hill, Simms, Price, Atkin, Dunn, Gayle, Emmett, Hulme, Bradley, Withe. Subs: Kent, Anderson.

Lancashire League Division Two - Saturday, 29th September, 1990 — MARINE YOUTH 2 v. BURY "A" 3

This was the "A" team's first win of the season — and that was after being 2-0 down. Although it is not good to go 2-0 down, especially when the goals came from a penalty and a badly-taken free-kick, it is nice to know that we can fight our way back. In the past this wasn't always the case so, if some good was to come out of the game, this would be it.

It took us a long time to settle down due, mainly, to our poor control and passing but, just before half-time we scored through Steve Denny. Then, after half-time we took hold of the game, with the full-backs getting forward and getting their crosses in. Mark Simms scored the equaliser with a header on the far post. The winner came from Lee Wilkinson and in the end, we ran out comfortable winners.

Team: Beaumont, Kent, Simms, Greenhalgh, Knox, Hughes, Denny, Wilkinson, Emmett, Anderson, Phillips. Subs: Handforth, McIlroy.

GENERALLY

It seems that, as with most things in this country, press and public are forever knocking our way of life. Football, of course, is no exception. So to partially redress the balance, three things of late, have happened in our National game that constitute good news. Firstly, gates at League (and non-league) matches have shown a significant increase over the last three or four years, so presumably those in charge are actually doing something right, despite what you may be expected to believe. Secondly, the ending of the "closed shop", also three or four years ago, which allowed ambitious non-league clubs to gain admission to The Football League, purely on merit (and status), as opposed to the old degrading lobbying process. The other side of the coin saw expulsion from the League no longer regarded as a death sentence (unless, of course, you happen to be Newport County!), but merely a profitable way of recharging the batteries (for confirmation, ask Lincoln City and Darlington). Thirdly, and in some ways the most rewarding, has been the gradual introduction of "gentlemanly conduct", which has seen an increasing use of the "after you" principle upon an injury. It is now almost common-place that should a player of either side go down hurt then the ball is played into touch. The response by the side taking the throw is usually to allow the game to revert to the position it was in before the injury. This has, basically, been imported from the Continent and has become more prevalent over the last three or four years. It's also three or four years since I last wrote these programme notes. A coincidence, surely?

Talking of the Continent, the fans of Manchester United and Aston Villa behaved superbly on their clubs return to European Competition. A shame that fans of clubs in other countries could not be so complimented. Ireland, Germany, Holland, Italy and Yugoslavia, to name but five, have all suffered from the hooliganism that, to a large extent, seems to have been eliminated over here. I've no doubt that, for the sake of consistency, U.E.F.A. will now ban all clubs from those countries from competing in future European Competitions. They have no choice, have they?

Stafford Rangers player Changez Khan (can you believe that!) took a throw-in during a GM Vauxhall Conference match recently with Merthyr Tydfil. He backed down the player's tunnel, ran its full length, performed a somersault and hurled the ball, in perfectly legal fashion, towards the visitor's goal. It hit the post and the rebound was promptly headed home. The goal was disallowed. Now as far as I am aware, there is nothing in the laws of the game that prevents a player doing a somersault whilst the ball is out of play. He could, if the fancy took him I suppose, do a juggling act whilst singing "Ave Maria", as again there is nothing written down to prevent such an occurrence. So I must admit to being mystified as to why the referee decided to disallow this particular goal. I believe this method of presenting the ball into play originated in an American College. The 1994 World Cup is to be held in America. Already we've had talk of restructuring the playing time into 4 x 25 "halves", and the possibility of widening and heightening the goals. If we are going to play around with the game, the somersault throw must be a prime contender. The powers that be have still got three-and-a-half years to work out more innovations. The mind boggles!

I had to smile the other day when, at a Sportsman's Dinner, the Speaker referred to the late Roy Hartell, now I was lucky enough to witness from the terraces (I'm relieved to say) this former full-back in action during the '60's. He was, let us be kind, competitive. So I was somewhat saddened with the news. However, not for long. "He's not dead" said the Speaker, "that was the way he tackled!"

FULHAM — Tuesday, 23rd October 1990

Kick-off: 7.30 p.m.

Coaches depart: 1.30 p.m.

Fare: £12.00.

BOOKINGS: Can be made this afternoon or at next Saturday's home game against Reading at the Commercial Office/Club Shop. Bookings can also be made during weekday office hours.

WHERE TO GO: Uncovered terracing for away fans is available at the Putney End of the ground. Admission £5.00. Seats in the Eric Miller Stand are priced £8.00 (segregated section for away supporters).

ROAD ROUTE: Depart Bury via M62, M6, M1 to conclusion. Join A406 (North Circular Road) westbound to Neasden. At roundabout join A404 (follow signs Harlesdon), then A219 Hammersmith (road names — Scrubbs Lane, Wood Lane, Sherpherds Bush Road, Fulham Palace Road). Turn left off Fulham Palace Road into Harbord Street for Fulham F.C.

INFO: Successive long distance away games at Fulham, Southend and Brentford threaten to test Bury's abilities to the utmost over the coming weeks. The game at Craven Cottage sees Ronnie Mauge make an early return to his for former club — and he will be sure of a warm welcome by the Fulham fans — who voted him Player of the Season last year.

Amongst Fulham's summer departures has been influential winger Clive Walker, a £20,000 signing by Brighton but Fulham have signed Graham Baker from Southampton (free), Stacey North from West Brom earlier this month and also currently have Leroy

Rosenior (West Ham) and Gary Brazil (Newcastle) on loan. The Cottagers have won just one of their nine League games and Rosenior is leading scorer with two goals.

SHREWSBURY TOWN v. BURY

2nd October 1990

The journey down to Shrewsbury is surely one of the most scenic in the Football league, passing through many small villages on the numerous 'A' roads into the town centre. We avoided the M6 like the plague, going instead straight down the A49 and the journey took just an hour and a half.

The pre-match team news revealed that Roger Stanislaus had been recalled at the expense of Alan Knill whilst the tannoy mention of John McGinlay was greeted with spontaneous applause from all areas of the ground. This being a nice touch, showing that the Shrews' fans still hold their former hero in high esteem.

The game started with the very debatable dismissal of Andy Feeley for an alleged professional foul in the fifth minute. This seemed a very impetuous decision by the referee as it was virtually the first foul of the game and could in no way have been deemed a 'professional foul'. This necessitated a Bury reshuffle and Mark Patterson moved over to right back. Bury still created three good chances for McGinlay (twice) and Cunningham, but things went from bad to worse for Bury when Colin Greenall went off injured. A superb Gary Kelly save from new boy Gary Shaw ensured a goalless score-line at half-time.

Tony Cunningham re-appeared as a central defender in the second half which brought chances for both sides, the deadlock being broken midway through the half when Shaw, on his home debut scored on the rebound after Kelly saved Spink's shot. Sam Ellis immediately sent Tony Cunningham back up front and the bold move responded with T.C. being brought down in the area by his former Blackpool team mate Russell Coughlin just a minute or so later. John McGinlay despatched the penalty with no problems and sent the 250 or so Bury fans wild. At the final whistle you couldn't help but feel that three points for the Shakers would have been the outcome but for that controversial sending off.

Bolton Evening News

"Bury lost at home to jinx team Crewe, who moved off the bottom with a 2-1 win and took their sequence against Bury to nine games without defeat."

Sunday Express

"Battling Bury didn't quite turn adversity into triumph but they emerged with nothing but credit from a tireless performance." **Bury Times**

"After having right back Andy Feeley sent off following virtually the first tackle of the match, the Shakers reshuffled, closed ranks and puffed out their chests to produce the most spirited ninety minutes of football of the season."

Bury Times

"The penalty was no more than Bury deserved for the way they had battled after Andy Feeley's harsh 5th minute dismissal for a foul. John Deakin somehow construed as being in breach of the latest professional foul ruling."

Bolton Evening News

"But on a night of heroes none shone more than Tony Cunningham who never put a foot wrong in a 50 minute spell as emergency centre half."

The Royals have made an excellent start to the season and are currently in third position prior to today's game at Wigan. Under the management team of Ian Porterfield and Eddie Niedzwiecki Reading will be hoping to improve upon last season's placing of tenth and on paper look to have a very strong strike force, having added the signature of £250,000 Craig Maskell from Huddersfield to the already proven goalscorers at the club — Trevor Senior and Steve Moran.

Ian Porterfield has also added defenders Keith McPherson (Northampton) and Floyd Streete (Wolves) to his squad to add stability to the back line.

Away from Elm Park Reading have won three of their four games — at Exeter, Huddersfield and Rotherham, so they will certainly be no walkover. At home Royals' results have been impressive, and are unbeaten in five games there to date. In last season's corresponding fixture Bury triumphed by a 4-0 scoreline, Jamie Hoyland (2), David Lee and a Robinson penalty making for a convincing scoreline against a team which we historically hold a "jinx" over. Their record at Gigg Lane is appalling!

Around the Ground

★ The up and down start to the season continued with a groin injury to centre-half Colin Greenall in the recent away game at Shrewsbury. It looks like our summer signing from Oxford United may well be sidelined for some time.

★ The fifth minute dismissal of full-back Andy Feeley in the 1-1 draw at Shrewsbury occurred because he was deemed guilty of committing a professional foul by referee John Deakin. It did, though, appear a particularly harsh decision by the official for what was basically the first foul in the whole game and it is doubtful if the offence would even have warranted a booking last season. Will there be a single weekend before next May which goes by free of dismissals? Somehow I doubt it. Football really is a squad

game these days, and it was interesting to see read Sam Ellis in the press recently refusing to condemn referees — more those who set the rules.

★ Tony Cunningham, of course, became the fourth Bury player this season to be dismissed last weekend at Cambridge to put the final touches to a bleak week on the disciplinary front for Bury. Tony was alleged to have elbowed an opponent and now, along with Andy Feeley, faces a three match lay-off.

★ Three players who are currently on the transfer list at Gigg Lane. Namely, striker Kevin Hulme, utility man Chris Withe and defender Charlie Bishop.

★ A programme fair is being held on Sunday, 21st October in the 100 Club at Ewood Park, Blackburn. Admission 30 pence (10.30 a.m. — 3.30 p.m.).

★ Last season's push into the Third Division play-offs resulted in Bolton Wanderers' attendances increasing from an average 5,705 in 1988/89 to 7,286 last season. An increase of 27.7%, it is interesting to note that Bury's similar play-off involvement also saw crowds increase . . . by 2.5%!! Gates rose from just 3,367 to 3,450.

BURY Times

IAN RILEY - Mascot against Rotherham United.

- ★ The reserve team's recent 2-1 home win against Carlisle Reserves made it five wins out of five from the opening games — and they had the chance to make it six too on Thursday.
- ★ A large selection of 60's and 70's programmes now available at the programme hut. Please call and have a look — or leave us your wants' list for checking.
- ★ Birthday wishes to Alan Knill who was 26 last Monday and Mark Simms who will be 20 next Wednesday.
- ★ The spate of dismissals this season for Bury means that a new 'unwanted' record has already been created, four beating our previous worst total of three sendings-off during seasons 1919/20 and 1979/80.
- ★ Amongst the three spelling mistakes in the Bury team printed in last Saturday's programme at Cambridge was the classic 'Roger Stanislams'. I'm praying our printers don't let me down today now!
- ★ News of former Shakers. Nigel Greenwood has fought his way back from injury and was substitute for Preston last weekend. Former Player/Caretaker Manager Derek Fazackerley has now replaced Mick Martin as reserve team coach at Newcastle, Arsenal full-back Lee Dixon has been named in the England squad for next week's game, and a little further down the ladder, our promotion strike force from 1985, Craig Madden and Wayne Entwistle are now in non-league circles. Craig is with Fleetwood and Wayne at Droylsden.

Welcome to Gigg Lane

Bolton are now in their third season back in Division Three after winning promotion from Division Four in 1987/8 and after last year's flirtation with a play-off place and a much improved final League placing of sixth, it was expected that Phil Neal's men would feature highly in the promotion stakes once again. Things haven't gone exactly according to plan though and if Wanderers were to lose today, they could go to the bottom of Division Three.

The Trotters' cause hasn't been helped too much by injuries and suspension though, with Barry Cowdrill missing eight games through a calf injury, youngster Alan Stubbs out with a groin injury and Mark Came also sidelined. In addition, three players being sent off has caused further disruption of Neal's plans with Mark Winstanley, Julian Darby and Dean Crombie all being dismissed in games to date.

The summer months brought little in the way of transfer activity at Burnden Park, with the major arrival being the capture of old boy David Burke, a left back signed from Crystal Palace. Young keeper Gareth Gray was also allowed to join Rochdale for £6,000. The indication that the manager had money to spend was illustrated with a £100,000 bid for Bradford striker Tony Adcock in August although the deal broke down after the player could not agree personal terms. A similar attempt to sign former Wigan winger Ian Griffiths also proved to be unsuccessful although competition for places has certainly been generated in recent weeks with two new arrivals at Burnden Park. Mark Seagraves, a £100,000 central defender was signed from Manchester City and veteran Sammy Lee, a free transfer bargain arrived from Southampton.

Wanderers began the season like potential champions — winning 1-0 at Shrewsbury Town and 3-0 at Huddersfield Town in the Rumbelows Cup but subsequent home defeats at the hands of Bradford, Preston and Stoke City — allied to four successive away reverses — have seen Bolton slump to the lower reaches of the table. Indeed they have failed to keep a clean sheet since those opening two games (writing before Tuesday's midweek Cup game against Coventry City). Tony Philliskirk and Julian Darby are currently joint leading scorers with five goals each whilst seven players retain their everpresent tag.

'Derby' games are a peculiar phenomenon though with form being turned upside on many occasions so Bury can be certain that Phil Neal's men will be all out to stop the rot this afternoon — and gain their first win here since 1929.

Introducing

DAVID FELGATE

Welsh born keeper who began his career as an apprentice at Burnden Park in 1976 and spent loans spells with Rochdale (47 apps) and Crewe (14 apps) before joining Lincoln City for £25,000 in 1980. He spent five years at Sincil Bank and won a Welsh International cap before joining Grimsby Town in 1985 after a loan spell. Yet another loan deal saw David play 15 games ... for Wanderers in 1986 before returning full-time in a £15,000 deal in February 1987. 1990-91 appearances: 9.

PHIL BROWN

A £17,000 signing from Halifax Town in July 1988. Club captain and full-back Phil has been an ever-present in Bolton's side for the past two seasons. His career began with a seven year spell at Hartlepool United, making over 200 League appearances before moving on to Halifax in 1985. He missed just three games in three seasons for the Shaymen but has done even better for Wanderers. 1990-91 appearances: 9. goals —

DAVID BURKE

A 30-year-old left back and former England Youth International, who made 69 appearances for Bolton before joining Huddersfield on a free transfer in 1981. He spent seven years at Leeds Road before moving south to Crystal Palace in 1987. He made 81 League appearances before re-joining Bolton in a £60,000 deal during the summer. 1990-91 appearances: 9. goals —

SCOTT GREEN

A 20-year-old midfield player who began his career as a Derby County apprentice. He was in his second season as a full professional at the Baseball Ground without having broken into the first team when Bolton manager Phil Neal paid out £50,000 to secure his services last March. He scored twice in five appearances for the Trotters last season, making his League debut at a very crucial time in their promotion push. 1990-91 appearances: 9. goals 2.

MARK SEAGRAVES

Liverpool-born 6'1" central defender who will be 24 later this month. Mark began his career with Liverpool but made his League debut during a loan spell with Norwich City. He moved on to Manchester City in 1987-88 season and his £100,000 move to Burnden last month will at last give him regular first team football. 1990-91 appearances: 5. goals —

MARK WINSTANLEY

22-year-old defender who graduated through the ranks of the Youth team at Bolton and is now in his seventh season with the club. Made over 120 appearances to date and his consistency has not gone unnoticed amongst First Division managers and coaches. 1990-91 appearances: 7. goals —

SAMMY LEE

Bolton's latest signing is 31-year-old midfield veteran Lee, who spent many years as team-mate to Phil Neal at Liverpool. He moved on to Q.P.R. in 1986 but, after 12 months, went abroad to Spain with Osasuna, where he spent two years. Last season he returned to England and joined Southampton, making two League appearances and he made his Bolton debut last Saturday against Stoke. 1990-91 appearances: 1. goals —

DAVID REEVES

Birkenhead-born forward who joined Sheffield Wednesday from non-league football in 1986, but made his League debut during a loan spell with Scunthorpe in 1986-87. He subsequently went on loan to Burnley, where he scored eight goals in just 16 appearances before returning to Hillsborough, where he enjoyed an extended run in Wednesday's first team. He joined Bolton in summer 1989 for a tribunal fee of £80,000 and scored 10 goals in his first full season at Burnden Park. 1990-91 appearances: 9. goals 2.

TONY PHILLISKIRK

A new arrival at Bolton last season, the former Preston man scored 18 goals to become Wanderer's leading scorer. He cost £50,000 when signed from Preston after beginning his career with Sheffield United and, later still, with Oldham Athletic, where he spent only seven months. Now aged 25. 1990-91 appearances: 9. goals 5 (League and Cup).

JULIAN DARBY

23-year-old midfield player who joined his hometown club as a youngster and graduated up through the junior ranks. He made his full debut in 1986 and has been a regular fixture in their side for the past four years. He enjoyed perhaps his best season last year, when he was ever-present and scored 10 goals. 1990-91 appearances: 8. goals 5 (League and Cup).

BARRY COWDRILL

Full-back who can also play midfield. 33 years-old now. Joined West Brom from Sutton Coldfield in 1979 and spent nine years at the Hawthorns before joining Wanderers in June 1988. He was Player of the Season for Bolton last year — but lost his place this season to David Burke after suffering an injury. Signed a new contract during the summer. 1990-91 appearances: 2. goals —

PHIL NEAL

Phil Neal's playing career began with a six year spell in Division Four with Northampton Town, making 186 apps and scoring 26 goals. A £65,000 transfer to Liverpool in November 1974 catapulted him into the big time though and he missed just one League game in a ten year spell at Anfield, gaining a reputation as a penalty taker.

Numerous awards followed including European Cup winners medals, League Championship medals and 50 England caps. He moved to Bolton boots up in 1988. Promotion from Division Four two years ago and a Sherpa Van Trophy success at Wembley in 1989 remain his two managerial trophies to date.

WHY SUPPORT BURY F.C.?

My love affair with Bury Football Club was really confirmed when I saw my first floodlight match on a cold November night back in 1957. I had already watched several afternoon games of both the first team and reserves but for a soccer daft six year-old the atmosphere of an evening game was something quite special. The match was an F.A. Cup 1st round replay against the then famous Amateur side Bishop Auckland and packed inside the ground there were, incredibly over 21,000 people, in fact the biggest crowd Bury have ever had since floodlights had been installed four years before. When my heroes emerged out of the tunnel they were hardly recognisable, not the drab navy blue shorts and socks that I had never liked anyway, but for the first time in their history they were kitted out in all white. Was it really Bury or was it European Champions Real Madrid. They looked quite magnificent. All my favourites were there, full back Bobby Conroy, who was biting legs long before Norman Hunter was heard of. That unbeatable athletic goalkeeper Roy McLaren, what a star! Who was that at number 10? Was it Real's great Hungarian striker Ference Puskas or was it super slick striker John Willie Parker. And of course as always that big brave, strong centre half John McGrath to tidy up threats that the visitors dare try to offer. Within a few minutes of the start the large crowd were on their feet as Parker raced clear to open the scoring with style and cool finishing. More goals followed, winger Johnny Robinson weaved his magic past several defenders before being brought crashing down in the area. With typical aplomb Parker despatched the penalty. An unfortunate own goal gave rampant Bury a third goal before Gordon Atherton smashed a shot against the crossbar and Jimmy Reid dived forward to head in the rebound. The plucky but outplayed visitors never gave up playing football and no-one begrimed them the consolation goal that they got right at the end of the game.

As I made my way slowly through the car park after the match I glanced up at the large advertising hoarding above the turnstiles which said in giant print DARLINGTON, next visitors to Gigg Lane. So I was back again just four days later to see Bury thrash Darlington 5-0 with a Parker Hat-trick, giving him 17 goals in 14 games, in front of almost 20,000 fans. Heady days what?

HELPING THE GAME

A fine new stand - one of the many initiatives supported by Trust funds

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods Vernons and Zetters. This money will be invested in projects which benefit football throughout the United Kingdom.

BURY F.C. — SEASON 1961/62

Back Row: Bob Stokoe (*Player/Manager*), Brian Turner, Brian Gallagher, Chris Harker, Brian Eastham, Don May.

Front: Bill Calder, Frank Beaumont, Dave Hickson, Allan Jackson, John Hubbard

★ Back in Division Two for the first time since 1957, Bury won four out of the opening five games to jump into second spot early on.

★ A series of injuries, namely to Brian Turner, Les Riggs and Bob Stokoe led to a decline which saw Bury slip to 17th by December, when manager Dave Russell left to take over at Tranmere Rovers.

★ Bob Stokoe took over as Player/Manager in December and, after signing keeper Chris Harker and Warren Bradley saw a late upturn in fortunes help preserve Second Division status, eventually finishing 18th.

★ A 7-2 home defeat against Newcastle United on 14th October was — and still is — Bury's biggest ever home League defeat.

Today we welcome our neighbours Bolton Wanderers and their supporters. Up until recently Football in the Community at Bolton has been run by former Bury players namely Pat Howard and Gary Pierce, who, I'm sure are well known to all our supporters because they still live in the area. The Community Programme is now run by Geoff Lomax the former Manchester City and Rochdale player who is working hard promoting the club to the community.

Today we hope to hold at half-time the 30 yard shoot-out between Bury's junior players and Bolton's junior players. This was last used in the North American Soccer League in the days of Pele, Best and Marsh and proved very entertaining for the crowds. Have a look-see if you like it and do you think it would be better than penalty shoot-outs.

Staying with the Juniors, Bury F.C. Community Programme's Annual Soccer Six tournament has attracted 32 primary schools who will all compete for the chance to play with the professionals at G-Mex in December but before that they have the long road ahead of them as you can see with the groups listed on page 33.

Hope you enjoy today's game — don't forget if you have any ideas let me know and I'll put them into practice if at all possible.

Let's hope both sets of supporters make this local derby a great day out for all concerned.

READING — Price £1.00

Same price as last season but over-all a vast improvement. The most noticeable change though, is that last season's static colour cover has been replaced with a black and white photograph which changes weekly. In fact the issue as whole is lacking colour throughout. Also, despite photographic content being high, only three photos in this particular issue were action shots — and one of these was on the front cover.

However, the good points far out-weigh the minuses and there is a good balance of articles, and only 11½ pages of adverts from the total 36 pages.

There is certainly plenty to read and if you were on the long trip home to Bury, you'd probably just about finish reading it somewhere around Birmingham. One for content rather than design though.

Rating: Front Page Design: 8, Photos: 6, Visitors Section: 7, Content and Presentation: 7, Overall value for money: 8, Overall Mark: 72%.

NOTTS COUNTY — Price

£1.00

Now in Division Two, Notts have opted for a change of style and have reverted to a larger issue. Unfortunately it is littered with advertisements — 18 out of 36 pages in total. This issue contains much colour photography including a variable front cover photo. This particular issue features Phil Turner with the Division Three trophy (an excellent shirt for County this season!).

A below average section on the visiting team offers no pen-pics or information on visiting players. This is contained in a one-line mention under the team-line-up names on the back page.

The statistics page strangely doesn't offer the team line-ups, just the score, scorers and attendances. There are some good photographs but features a bit lacking for a Second Division programme, 'Player Call' perhaps being the pick with a feature on a player and a centre page colour action shot of the featured player.

Rating: Front page design: 8, Photos: 8, Visitors' Section: 5, Content and Presentation: 6, Overall Value for Money: 6, Overall Mark: 60%.

TESTIMONIAL YEAR

An apt photograph from Wilf's personal collection this afternoon sees him pictured at Burnden Park back in October 1959 along with Billy Wright and Bobby Charlton. What are the trio doing there — and why are they wearing Bolton shirts?

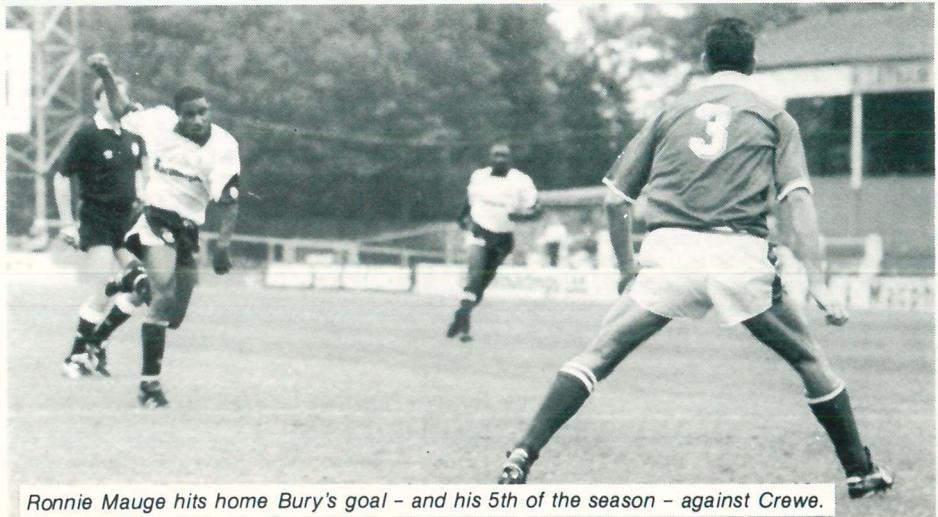

The explanation is quite simple really. The three are all in training for the full England squad and Burnden Park was the venue. The occasion also marked the first time that Wilf had been picked for the England squad — and led to his first full Cap against Northern Ireland at Windsor Park later that same month.

We've Met Before

BURY v. BOLTON WANDERERS

Division Two, 14th October, 1966

Bury had lost their last four away matches, which was no way to give the home fans any confidence for this derby clash against their Burnden Park neighbours. There had been plenty of off-the-field activity during the week, leading up to this Friday night fixture. Bury had made a £20,000 offer for Bobby Collins f Leeds United and they were also trying to re-sign George Jones from Blackburn Rovers with the hope of having him available for this game. It would, however, take several weeks of bargaining before the Jones deal could be settled. Bury's manager, Les Shannon, had signed a two-year contract on the morning of this game, after being retained on an unsatisfactory month-to-month basis until then.

There were two future Bury players in the Wanderers side, Dave Hatton, who would come to Gigg Lane via Blackpool in August, 1976 and, after skipping the side eventually becoming player-manager. On the Bolton left wing was P.F.A. supremo Gordon Taylor, who finished his playing career at Bury after having successful periods at Birmingham and Blackburn.

The full teams were:

BURY: Ramsbottom, Colquhoun, Eastham, Turner, Waldron, Parry, Lowes, Maltby, Aimson, Owen, Claxton. Sub: Leech.

BOLTON: Hopkinson, Cooper, Farrimond, Rimmer, Napier, Hatton, Lee, Bromley, Davies, Hill, Taylor. Sub: Greaves.

The referee was D. W. G. Brady of Rotherham.

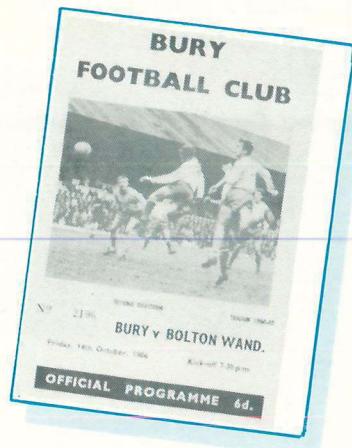

The game burst into life, though only temporarily, in the first minute, when Bolton won a free-kick just outside the penalty area and Francis Lee fired in a shot that struck the crossbar and bounced away to safety. The first half was mainly disappointing with neither side being able to string many passes together or create worthwhile chances. An interesting tussle was developing though between Colin Waldron, who was playing only his second game at the centre of the Bury defence and Bolton's bustling Welsh International centre-forward, Wyn Davies, who was about to leave Bolton in an £80,000 move to Newcastle United. Though losing out in some of the aerial battles, Waldron was certainly the more accomplished player on the ground, appearing very comfortable on the ball and possessing a confident style that belied his lack of experience.

If ever a game needed a goal to lift it out of its mediocrity and start to excite the 21,545 fans, this was it and it was not until midway through the second half that one arrived.

On 66 minutes, Brian Turner brought the ball forward towards the edge of the Bolton area, where he then misplaced his pass and left Bury exposed in defence. The ever-dangerous Lee picked up the ball and raced away down the right wing and eventually turned the ball inside to Brian Bromley who powered in a shot that Neil Ramsbottom pushed out but only to Davies, who was following up and he screwed the ball into the net from close range. Just how would Bury react to this setback was uncertain but, six minutes later, the answer was provided when they got the lucky break they needed. Following a throw-in on the right, the ball was lobbed into the area, where Bobby Owen attempted to hook the ball into goal but miskicked. The ball then ran slowly across the face of the goal between Bob Napier and keeper Eddie Hopkinson, who both stood motionless waiting for each other to get the ball. Seizing on the opportunity, Paul Aimson nipped between the two and tapped the ball into the net. It was a dreadful mix up that was to prove very costly for Bolton.

Inspired by the equaliser and the increasing roars of the large crowd, Bury suddenly found an extra gear and started to take a grip of the game. After 74 minutes, Aimson attacked down the left and hit a very deep cross that just eluded Sid Farrimond and ran on to right winger Barry Lowes. He moved to the byline and pulled the ball back along the ground to the inrushing Jack Maltby, who clipped a fine first-time shot that went across Hopkinson and into the far corner of the net.

Bolton immediately brought on substitute Roy Greaves for Freddie Hill, who had been struggling with a leg injury. But Greaves would not make any impression as the eager Bury players sensed an unexpected victory. The home side could have had a late penalty, when Maltby was brought crashing down inside the area though somehow Bolton escaped that, but try as they did, they could not stop Bury registering a valuable 2-1 win.

COMMERCIAL UNION

During the past eight or nine months we have had an association with Commercial Union Financial Services.

To enable us to take full advantage of this partnership in a way that will benefit the club financially we are at present sending letters out to all our Supporters, Sponsors, Shareholders etc., that we have on file asking them to spare a moment of their time to C.U.F.S. representatives to explain how this scheme works.

These representatives will be contacting people during the weeks/months ahead, please give them a moment of your time if the contact you.
